

THE ROSICRUCIAN FELLOWSHIP

PRESENTS A FIVE PART SERIES

WORKING ON DESIRE

RICHARD KOEPEL

“The desire body of man is his vehicle of feelings, desires, wishes and emotions. It is responsible for all his actions... The Western Wisdom Teachings therefore emphasize the *Transmuting* of the lower desires into higher ones through service motivated by devotion to high ideals. This generates the Emotional Soul, essential nourishment for the evolving Spirit.”

The Desire Body by Max Heindel
